WORK EXPERIENCE

2022-2023

Mapfre insurance

Technical area

Collaborated closely with cross-functional teams to ensure compliance with industry regulations and standards, fostering alignment with legal, compliance, quality and other relevant departments.

2023-2024

Segway Powersports

Frontend developer (freelancer)

Develop an attractive interface to market the company's products.

Collaborated with marketing teams, using prototypes, style guides and a design system to achieve consistency. Applied user-centered design to improve usability.

2024-2024

No Country (work simulations)

Web developer

I collaborated closely with teams in the creation and execution of projects. Implemented technologies such as React Native and TypeScript, using version control systems such as Git to facilitate fluid collaboration and efficient development processes.

We guarantee that our website is not only visually attractive but also highly functional and efficient, for a better user experience.
